NOTES:

1. This advisement guide has been developed in collaboration with representatives from St. John Fisher College, for the purpose of helping students meet FLCC graduation requirements while preparing for transfer to St. John Fisher College. The recommendations may include courses which are beyond the minimum requirements for FLCC graduation. Students are responsible for ensuring that their course selection meets requirements of FLCC graduation as well as those of St. John Fisher College. For information about minimum FLCC graduation requirements, see the College's catalog or your academic advisor. For information about St. John Fisher College's requirements, contact Jose Perales, Director of Transfer Admissions, (585) 385-8064 or perales@sjfc.edu
2. For students participating in the Joint Admissions Program with St. John Fisher College, maintaining continuous study, achieving a minimum 2.0 GPA and successfully completing courses as specified in this advisement guide are required.
3. St. John Fisher College requires students majoring in Economics to complete a minor. For example, minors in finance, international studies, sociology and management will help equip students for a range of different career paths. Students will work closely with department advisors at St. John Fisher College to determine which economics electives and minors will best achieve their goals.
