

The University of Akron

Lorain County Community College

General Education Equivalency Guide

The General Education program of The University of Akron is the core of courses that provides the skills and knowledge considered essential for all bachelor's degree graduates of the University. This program went into effect fall semester, 1994 and is in effect for those students who have never attended any college or university before fall semester, 1994. This guide was prepared to assist students who have not completed the Ohio Transfer Module. Individual college departments or programs at UA reserve the right to review these and other courses completed at Lorain County Community College in meeting specific course requirements under their jurisdiction. For questions, contact the Transfer Student Services Center at **(330) 972-7009**.
