

## **TRANSFER OF CREDIT FROM OTHER COLLEGES AND UNIVERSITIES**

Undergraduate credit earned at another college or university is accepted toward an undergraduate degree program at Northwestern Oklahoma State University if the credit was earned at a fully accredited college or university (must be regional or Oklahoma State Regents accreditation.). A student will be admitted to advanced standing if s/he has completed college work in other institutions and has withdrawn in good standing. Before enrollment the student should submit to the Office of the Registrar an admission application, and an official transcript from each college/university attended. The transfer student must be eligible for readmission at the previous institution in order to be eligible for admission to Northwestern. Anyone suspended from another institution for academic reasons (and who has not previously attended Northwestern) must file an appeal for admission with the Vice President of Student Affairs before consideration will be given his/her application. A student transferring back to Northwestern after enrollment at another institution will be considered for readmission on the basis of his/her record at Northwestern, as well as records at the other institution.

Students transferring to Northwestern from a two-year college are required to earn a minimum of 60 semester hours (excluding physical education activity courses) at a baccalaureate degree-granting institution to complete the requirements for a bachelor's degree.

Undergraduate students wishing to transfer credit from a non-accredited institution must validate such credit by the successful completion of twelve semester hours at Northwestern. Transfer credits are then accepted and applied to degree programs generally in accordance with the recommendations in the Transfer Credit Practices Guide published by AACRAO (American Association of Collegiate Registrars and Admissions Officers). Consequently, credit from some technical colleges and professional schools may not be applicable toward degree requirements at Northwestern.

Students holding degrees from institutions not fully accredited by the appropriate accrediting agency may be admitted to graduate school through the validation policy. Successful completion of twelve semester hours at Northwestern fulfills this requirement. A graduate student may complete nine graduate hours under the "non-degree seeking status."

Northwestern Oklahoma State University has established articulation agreements with Northern Oklahoma College, Northwest Technology Center (Nursing), Autry Technology Center (Nursing), and High Plains Technology Center (Nursing).
